Santhosh Retreats *Sri Lanka* About The Retreat

Experience the enchanting island of Sri Lanka for an unforgettable retreat for dancers and non-dancers. This will be a getaway with endless possibilities.

Your retreat leader will be Samiya Sahabdeen, the founder of Santhosh Retreats and a native of Sri Lanka. She is ably supported by her excellent dance team from London, Nuno, Edgars, and Gigo. Samiya is passionate about sharing her Island home with all its sacred sites and tranquil landscapes. This nine-day journey from January 30th to February 8th will kickstart in Colombo with an exciting Gala ball with performances and music followed by an adventure to the beautiful beaches and historical sites. Your days will be filled with treks and sightseeing, and your nights will be filled with music and dance.

Throughout your journey you will stay at a mix of luxury hotels and charming seaside villas, with a carefully curated programme including sightseeing, dancing, trekking, and free time to relax.

Whether you want to join the entire program or part of it, this retreat promises a genuinely enriching and unforgettable experience.
